AmeriCorps Member – Community Health Worker – Diabetes (Intermittent Position)

Description: The Health District is hiring up to three Intermittent full-time AmeriCorps Members to serve as diabetes-focused Community Health Workers (CHWs) across Ross County. This position is through the AmeriCorps and no benefits. A CHW is a frontline public health worker, without a required medical/clinical background, who is a trusted member of the community or has an in-depth understanding of the community served. CHWs serve as part of a care team for patients struggling to control chronic conditions. The AmeriCorps members will promote healthy choices through education, weight loss, nutrition, and physical activity. Help change lives in Ross County by teaching chronic disease self-management through healthy lifestyle choices. Members serve throughout Ross County.

Preferred candidates will be from or familiar with Ross County. Training on Chronic Pain Management, Motivational Interviewing, and other evidence-based programs will be provided. Personal knowledge of diabetes management a plus.

As an AmeriCorps Member earn a yearly living stipend of \$13,992.00 with a possible \$6,095 Educational Award. To apply please visit <https://my.americorps.gov/mp/listing/viewListing.do?fromSearch=true&id=84444> and apply through the Corporation for National and Community Service website. The Ross County Health District is an Equal Opportunity Employer as well as an E-Verify Employer.
